MILITARY DEPARTMENT.

To—The Adjutant General, No. 336, *S, dated Simla, the* 15*th September* 1875.

I am directed to acknowledge your letter No. 1186 B "Medical Department," dated 28th May 1875, on the subject of the claim of European military pensioners to receive gratuitous medical attendance for themselves and families.

2. In reply, I am to state the opinion of the Right Hon'ble the Governor General in Council that the cases have been rare in the extreme where inconvenience or hardship has arisen from the absence of any specific ruling on this point. As however the question has been raised, His Excellency in Council is pleased to decide that European military pensioners requiring medical attendance for themselves or families and residing within cantonments shall receive it from the medical officer in charge of the staff.

3. In very serious illness, the pensioner may be sent into a Military hospital and his family into the Sudder dispensary, where, as is now usually the case, there is suitable accommodation for persons of that class.

4. A further communication will be made to you in respect to the case of European pensioners residing outside the cantonment limits,—a point which must be decided in the Civil Department.
